

Como configurar un cliente con la aplicación móvil UniFi.

1. Toque en **Clients** de la barra de herramientas inferior. Esto abrirá una lista de todos los clientes. Seleccione el que desea ver pulsando sobre su nombre.

The screenshot shows the UniFi mobile application interface. At the top, the status bar displays 'Carrier', signal strength, Wi-Fi, 5:50 PM, and battery level. Below this is a blue header with 'Clients' and a 'Sort' button. A search bar is present with a magnifying glass icon and the text 'Search'. Below the search bar are three filter buttons: 'All (465)' (selected), 'Wireless (35)', and 'Wired (430)'. The main content area lists several clients, each with a name, connection type, network details, and a signal strength indicator. The bottom navigation bar includes icons for Dashboard, Devices, Clients (highlighted), Statistics, and More (with a notification badge showing '27').

Client Name	Connection Type	Network	Signal Strength	Last Seen
UniTel-PBX-TPE	LAN	TW-1-core #29	Full	2d 7h
AFi-X-D602DA	LAN	TW-2-12F #20	Full	2d 7h
Samsung-Galaxy-S7-edge	5G	ubnt-tpe6F-5G 6F-AP06-U7L7	Good	2d 7h
04:18:d6:a0:62:3c	LAN	TW-1-6F #25	Full	2d 7h
44:d9:e7:41:96:be	LAN	TW-1-core #37	Full	2d 7h
04:18:d6:07:66:38	LAN	TW-1-6F #26	Full	2d 7h
SuperNova	LAN	TW-1-6F #26	Full	2d 7h
04:18:d6:a0:07:9b				2d 7h

2. En la pantalla del cliente puede ver su información general y desde aquí puede ver los resultados de la inspección profunda de paquetes (DPI), Ver historial, estadísticas y puede bloquearlos o reconectarlos. Haga clic en configurar en la esquina superior derecha para hacer ajustes a este cliente.

The screenshot shows a mobile application interface for a client named "iPhone". At the top, there is a blue header bar with a back arrow, the text "Client", and a "Configure" button. Below the header, the client's name "iPhone" is displayed in large text, with a green battery icon and "8h 7m" next to it. Below this, there is a green "5G" icon and the text "ubnt-alpha" with a signal strength indicator. A horizontal line separates this from a "DETAILS" section. The "DETAILS" section contains a table with the following information:

IP Address	192.168.1.227
MAC Address	88:66:a5:ad:65:c2
Device Type	Apple
Connection	In-Wall Pro (5G) >

Below the "DETAILS" section, there is a "STATISTICS" section with three items: "Statistics", "History", and "Deep Packet Inspection", each with a right-pointing chevron. Below this is an "ACTIONS" section with a "Block" button. At the bottom, there is a navigation bar with five icons: "Dashboard" (clock), "Devices" (target), "Clients" (two people), "Statistics" (bar chart), and "More" (hamburger menu with a red circle containing the number 8).

- Desde la pantalla de configuración del cliente puede cambiar el alias del cliente para facilitar la identificación, cambiar su grupo de usuarios o red si desea utilizar una dirección IP fija.
